

Modules List:

Sno	Key Proposition	Module/Functionality
Campus Administration Stack		
1	Master Data Management	Institution Structure
2		Programs, Courses and Specializations
3		Infrastructure
4		Single Sign on with Google/Microsoft
5	Admissions Management	CRM (NPF, Extraaedge, Leadsquared) Integration
6		Application Form Configuration based on Program - Batch Year - Quota
7		Form Review with unlocking of selected fields for resubmission
8		Custom Status Management (Applicant, Registered, provisional)
9		Document Verification
10		Fee Initiation, Scholarship/Waiver Management, Collection
11		Withdrawal and Rejection Management
12		Rule based ID Number Generation
13		ID Card Generation
14	Student Finance	Rule based Auto Official Email ID Generation (G-Suite and Microsoft)
15		Prospective Student Engagement
16		Academic Fee Setup
17		Scholarships & Waivers
18		Instalment Management
19		Penalty Management
20		Online Fee Payment with 10+ Payment Gateway
21		Offline Payment Approval and Reconciliation
22		Customizable Receipts
23	Member Records (student, faculty, staff, parent)	Fee Payment Reminders (SMS, Email & App Notifications)
24		Refund Management
25		Hostel Fees and Caution Amount
26		Transportation Fees and Caution Amount
27		Miscellaneous Dues Management
28		Official Records
29		E-Portfolio with 360-degree Profile
30		User Management
31		Role Based Privilege Management
32	HR Management	Faculty's and Staff Profile
33		Attendance Management through Biometric/Rfid/FR
34		Leave Management
35		Faculty and Staff Engagement
36	Calendar Management	Institution Calendar with Academic Activities, Holidays, Events and other important days
37	Drive (Document Management)	Personalized Drive with pre-defined storage to manage documents and other relevant resources
38	Placement Management	Configuring Placement Cycle, Placement Type, Opportunity Type
39		Organizations Database (Master Data of Companies & Recruiters)
40		Student Placement Registration
41		Opportunity Creation with Eligibility Criteria Settings
42		Student Application Status Management
43		Customizable Application Stage Tracking (HR Round, GD, Final Round, etc)
44		Messaging to students within an opportunity
45		Manage Offer Acceptance with Due Date

46		Student wise Placement History Record	
47		Reports and Analytics	
48	Hostel Management	Hostel Infrastructure - Hostel Blocks, Rooms and Mess	
49		Hostel Fee Setup	
50		Provision to capture student’s choice of Hostel Room	
51		Hostel Allotment (Provisional/Confirmed)	
52		Hostel Payment Collection	
53		Hostel Attendance with Biometric/RFID	
54		Request for House Keeping	
55		Request for Maintenance	
56		Registering complaint about Internet	
57		Checkout from Hostel	
58	Canteen Automation	QR Code/Meal Code based operation	
59		User Mapping to mess	
60		Menu Management with timing of mess	
61		Mess Change Request	
62		Comprehensive Meal consumption report	
63	Transportation Management	Transport Fee Setup - Pickup point wise	
64		Route & Pickup point selection option	
65	IQAC	OBE Reports	
66		Teaching Learning Feedback Reports	
67	Asset Management	Creation of multiple categories/sub-categories of Asset	
68		Specifications of Products	
69		Allocate / Return Product to / from an individual or a department	
70		Purchase Details, Service History, Insurance Details	
Digital Learning/Academics Stack			
71	Academics Management	Curriculum/Learning Pathway Management	
72		Course Cataloguing	
73		Outcome-Based Education	
74		Choice-based Credit System/Course Registration (Selection, Waitlisting, Bulk Enrolment)	
75		Term Management (Semester, Trimester, Yearly, Custom)	
76		Time-table Management & Batch Creation (Dynamic Cohorting)	
77		Attendance Management	
78		Teaching Learning Feedback Management	
79	Learning Management System	Lesson Plans (In class, Live Online & Pre-recorded)	
80		e-Content & Web Resources – Documents, PPTs, Videos & Links	
81		Assignment Management (Rubric Grading, Scheduled Assignments, CO & BT Level Mapping, Turnitin integration)	
82		e-Assessments – · Multiple Question Types: MCQs, SCQs, fill in the Blanks, Match the Columns, Subjective & Equations · Practice & Graded Assessments · Auto Generation of Question Sets from Question Bank · Scheduled & Timed Assessments · CO & BT Level Mapping at Question Level	
		83	Discussion Forum (Open & Graded Discussions)
		84	Grade Book with provision to generate marks based on (Sum of Grades, Best of Grades or Both)
		85	Class group Analytics
		86	Centralised Repository of Courses & Components with Lesson Plans & e-Content

87	Content Management System (for automatic sync of content in LMS)	Content Versioning
88		Automatic sync of Content for New Classgroups
89	Examination Management System	Evaluation Schema (Internal, External)
90		Grading Schema (Absolute, Relative)
91		Exam Types & Exam Components Configuration
92		Grace marks Policies at Course level, Term Level & Course Component Level
93		Grade-Cut Policies basis of Attendance
94		Exam Conduction (Hall ticket, schedule, attendance)
95		Exam Eligibility Check (Attendance, Fees, Internals, Fairness Status, etc)
96		Exam Scheduler
97		Seating Arrangement
98		Answer Sheet Masking
99		Question Paper Creation
100		Evaluation Management
101		Make-up & Re-exam Management
102		E-Grade Sheet & E-Transcript Generation
103		Result Publication Management & Consolidated Reports
104	Certificate Management	Create & Maintain Multiple Templates on the Platform
105		Issue Certificate to individual or multiple students at once
106		QR Code Verification for External Users
107		Automated Serial Number Generation
108	Research & Innovation	Master Data — Project Types, Funding Agencies, Schemes
109		Research Project Management
Campus Experience Stack		
110	Business Process Automation (Workflow Automation)	Campus Approvals and Applications
111		Goods Issuance and Booking Management
112		Manage Grievances and Prevention
113		Automate Campus Services
114	Gate Pass Management	Request for Day Out Pass with Warden approval
115		Request for Night Out Pass with approval from Parent and Warden
116		QR Enabled Service for faster search
117		Time Restrictions to raise Out Pass request
118		Exit/Entry tracking with Biometric devices
119		Dashboard with real time status of students
120	Campus Social Network	Facebook Like Institution Feed with posts and updates
121		Engagement activities via Comments, re-share and upvotes
122		Post Update to share attachments and other materials with specific online communities
123		Push and in-app notifications on activity on post or reply to comment
124	Clubs & Chapters Management	Activity based Clubs & Chapters
125		Interest based Communities
126		Record of events conducted by Clubs & Chapters
127		Provision to maintain Gallery for Clubs & Chapters
128	E-notices	Admin Privilege to share E-Notice
129		Share Notice in a specific booth (user groups)
130		Send Push Notification with Custom content and email to all Booth members
131		Request for acknowledgement
132		Analytics view on users who have acknowledged/view the Notice
133		Disable Comments in while posting Notice

134		Keep a Notice pinned to the top of the Campus Feed
135	Event Management	Console to Create "Events" with Cover Image, Title, Description, Start Date & Time, End Date & Time, Venue, Speaker
136		Enable Registrations with Registration End Date & Time with or without payment
137		Fixed number of Seats for Registration process
138		Create Public URL of Event to enable participation from outside
139		Attendance Dashboard for Event Organisers with Download report of participant information
140		Event to be tagged to specific Club/Chapter or Academic/Non-Academic Department
141	Polls & Survey Management	Custom Feedback such as "Faculty Feedback", "Exit Survey", "Student Satisfaction Survey" with Subjective and Objective options
142		Custom Push Notification/Email while posting Feedback
143		Schedule Feedback collection in one or many booths
144		Realtime Reports with “Everyone can view” or “Only Admin can view” option
145	Facilities & Infrastructure	Mapping of all non-movable assets
146		Venue Booking
147		Visitor Management
148	Mentor Mentee Management	Assign Mentee to Mentor
149		Mentor Access to Mentee Details
150		Counselling Request by Mentee
151		Outpass Approval by Mentor
152	Parent Log In	Student Information
153		Fee Payment
154		E-Notices & Campus News
155		Student Attendance & Marks
156		Student Leave and other Approvals
Available Integrations		
157	Payment Gateway	CCAvenue, PayU, Payumoney, PayTM, Atom, Axisbank, Easebuzz, Razorpay, Easypay, Jio, Billdesk
158	Video Conferencing Tools	Zoom/Google Meet/MS Teams/JioMeet
159	Single Sign On	Google SSO/Microsoft AD
160	Communication	SMS, Email, IVR Calling
161	Biometric Device	For attendance of staff and hostellers
162	Plagiarism Check	Turnitin
163	Library Management	Custom Integration with Koha
164	CRM	Custom Integration with ss, LeadSquared, ExtraaEdge
165	Accounting (chargeable)	Custom Integration with Tally or Zoho Books
